### Coordinated Discharge Plans

## 4. MNO-Neo Progress

### NAS Assessment Tools

Modified Finnegan NAS Scoring in EPIC/EMR  
Eat Sleep Console Bedside Assessment-on paper

Newborn Care Diary-on paper

### MNO-Neo Folders

Created & available for L/D and Nursery; physicians have the folders in their offices for reference. Color-coded with infant's nestled inside the mother's folder.

### Education Campaign

All staff were educated in February including nursing staff, obstetricians and pediatric hospitalists through OLIE education and didactic presentations; staff had Q/A opportunities following.

Presentations were mandatory for all nursing staff. MNO grand rounds were scheduled but placed on hold due to the COVID-19 pandemic.

## 5. Coordinated Discharge

### Review of all NAS cases

Perinatal Coordinator reviews all NAS cases in real time to make sure we have everything covered. The team discusses opportunities and re-educates staff as needed.

### Discharge Process & Materials

- MNO Discharge Checklist
- Coordinated Discharge Checklist
- Consent to Refer for Home Visiting Services
- Utilize APORS Data Reporting workflow algorithm
