Stacey Borrelli, RN

Valerie Vanhoose, RN

Nkiru Nwalozie, RN

Tricia Beelman, RN

Renee MacFarlane, RN

Dr. Poj Lysouvakon, Dr. Jaclyn Eisenberg

Dr. Jaideep Singh/Dr. Kelly Nelson-Kelly

3. MNO-OB Data

MNO-OB Data Collection began March/2020: March/April 2020 N=0

MNO-Neo Data

7/2018-12/2019

Records identified by Maria Corpuz using 3 ICD-10 codes:

* 96.1 neonatal withdrawal symptoms for maternal use of drugs of addiction

* Po4.41 newborn affected by maternal use of cocaine

* Po4.49 newborn affected by maternal use of other drugs of addiction

FY 19/Eligible to Breastfeed

Eligible to breastfeed at Hospital discharge?

Yes16 (34%)

No30 (64%)

Unknown1 (2%)

FY 19 Infant Data/NAS

Evidence of Neonatal Abstinence Syndrome?

Yes11 (23%)

No36 (77%)

Did Infant receive pharmacologic therapy?

Yes6 (12%)

No41 (88%)

According to Guideline? Yes 5/6 (83%)

When started? Day 0 (2), Day 1 (1), Day 2 (1), Day 3 (2)

Clonidine as second agent? 2/6 (33%)

FY 19/Safe Discharge

* Was safe discharge plan made in partnership with family, the hospital, and community PCP?

Yes33

No5

Not known9

4 elements: MD to MD comm., discharge safety bundle reviewed, DCFS clearance, official Early intervention referral.

4. MNO-OB Progress

MNO-OB Folders

For MNO Folders this is what is in our folder:

5P's Patient Handout (PIC SENT)

Breastfeeding Guidelines for Women with SUD

Language Matters Handout

MNO Prenatal Consultation Guidelines

MNO Workflow and Dot Phrases (PIC SENT)

Narcan Quick Start Guide

OB Analgesia OUD Consideration

Opioid Treatment Mapping Tool 12.16

Suboxone Info Sheet

UCM ILPQC OUD Checklist

UCM Buprenorphine Waivered Providers and Resources

UCM MNO Algorithm (PIC SENT)

UCM SBIRT Pocket Guide

Neonatal Abstinence Syndrome Practice Guideline

Staff and Patient Education Folder:

MNO Elsevier Training Document

MNO Who, What, Where Information Flyer

MNO Workflow and Dot Phrases

UCM ILPQC OUD Checklist

Pregnancy and MAT

Opioids and Pregnancy

Milk Suppression

NAS Booklet for Patients

NAS One Pager

Narcan Quick Start Guide

Narcan Rescue List

Screening Tools = 5 P's Handout

Training/Education

1. December 20, 2019

Grand Rounds, UCM

N =55

2. March 2, 2020

Buprenorphine Waiver Training @ UCM

N = 28

Strengths:

Strong team lead

Multidisciplinary

Strong Epic support

Weaknesses:

Prenatal Clinic Participation

5. IPLARC/IPAC or MNO Overflow

UCM IPLARC Sustainability Plan

Sustainability Across the UChicago System

1. Compliance Monitoring – Counseling, Insertion, Follow up, & Reporting

2. New Hire Education – Physician & Nurse Staff

3. Ongoing Education – Physician & Nurse Staff

4. Billing / Reimbursement – Monitoring of payments and Claims

5. Operations – Sustainment of Daily Operations in Family Birth Center and Mother Baby Unit

Performance Optimization & Sustainability

How do we remain sustainable?

6. PVB

Team

Lead Provider

Lead RN

OB Outreach Educator

Quality Champion

Dr. Abbe Kordik

Macaria Solache

Autumn Mels

Anna Marzano

PLAN

30

Monthly team meetings

Announce PVB initiative to staff

Staff questionnaire to establish baseline knowledge of PVB

Create education foundation/classes

60

Educational classes for all labor nurses (to include labor support)

Promote communication/collaboration amongst all stakeholders

Establish RN mentor program

90

Post education questionnaire

Initiate data collection

Continue PVB initiative with ILPQC guidance
