

# ILPQC 2022 Storyboard Guide

One of the most important parts of the ILPQC Annual Face to Face Meeting is the opportunity for teams to share strategies for success. This year, through our virtual format, we are excited to see how teams rise to the challenge and submit their ILPQC Team Storyboards. We ask every ILPQC team to share their progress and successful ILPQC initiatives this year and complete the virtual storyboard poster. Please feel free to personalize this poster in ways that best highlight your teams accomplishments!

*It is easy to plug in some photos, data and bullet points and submit!*

## OB-Storyboard Instructions

1. Insert your hospital logo and name at the top of the slide.
2. **Hospital & QI Team Overview**
  - a. List your QI Team and roles. Also insert a picture of your QI team and hospital
  - b. List your biggest accomplishments this year/since last Face to Face
  - c. List what you are looking forward to working on in the last 6 months of the year
3. **MNO-OB Sustainability**
  - a. Fill in MNO-OB progress towards four key strategies for success in sustainability. The four key strategies are:
    - i. Screening tools
    - ii. MNO-OB folders
    - iii. Education Campaign
    - iv. Monthly review of all OUD cases
4. **Birth Equity**
  - a. Share data and strategies to implement BE key strategies measures. Examples include:
    - i. SDOH Screening
    - ii. Respectful Care
    - iii. PREM
5. **Promoting Vaginal Birth**
  - a. Share data and strategies on progress towards achieving PVB measures. Examples include:
    - i. Cesarean Decision Checklist and Huddle
    - ii. Identifying NTSVs
    - iii. Unblinding Provider Level Data
    - iv. Labor Management Support
    - v. Education of ACOG/SMFM criteria for providers and nurses

## Neo-Storyboard Instructions

1. Insert your hospital logo and name at the top of the slide.
2. **Hospital & QI Team Overview**
  - a. List your QI Team and roles. Also insert a picture of your QI team and hospital
  - b. List your biggest accomplishments this year/since last Face to Face
  - c. List what you are looking forward to working on in the last 6 months of the year
3. **BASIC Data**
  - a. Share data on progress towards achieving BASIC measures. Please use graphs when possible. Examples include:
    - i. Antibiotic prescribing rate
    - ii. Antibiotics stopped at 36-48 hours with negative blood culture
    - iii. Family education
    - iv. Automatic stop times and time-outs
4. **BASIC Strategies**
  - a. Please describe specific strategies for implementing key BASIC structure measures.
5. **MNO-Neonatal Sustainability**
  - a. Fill in MNO-Neonatal progress towards four key strategies for success in sustainability. The four key strategies are:
    - i. NAS Assessment Tools
    - ii. MNO-Neonatal Folders
    - iii. Education Campaign
    - iv. Monthly review of all NAS cases

**7. Save your Storyboard as a pdf and rename it using your full hospital name and if it is an OB or Neo Storyboard (ex. *Smith Hospital Neo Storyboard*).**

**8. Please email the completed storyboard by May 11, 2022 to [info@ilpqc.org](mailto:info@ilpqc.org).**

*\*Helpful tip: Use a 66 point font when inputting data into the storyboard for ease of viewing.*

**Thank you for your participation!**
