

DEMYSTIFYING MATERNAL HEALTH DATA

SPEAKER SERIES IL MATERNAL HEALTH TASK FORCE

We will hear from **Dr. Cara Bergo**, the state's Maternal Mortality Epidemiologist, about the data featured in the most recent ***Illinois Maternal Morbidity and Mortality Report***. We will discuss data sources and definitions, availability of local data, and how to compare to national estimates. There will also be time to address frequently asked questions.

Please share this
opportunity with others.
See you there!
