

ASAM THE Treatment of Opioid Use Disorder Course

Includes waiver qualifying requirements

Blended Course: 4 hours live virtual/4 hours online

DATE: Saturday, February 13, 2021
8:00 AM ET-12:30 PM ET

LOCATION: Virtual/Online
(Tampa, FL)

WHAT IS IT?

- This course covers all medications and treatments for opioid use disorder, and provides 8 hours of required education needed to obtain the waiver to prescribe buprenorphine in an office-based setting. The first four hours are completed live in a classroom setting followed by four hours of online learning in the ASAM e-LC.

WHO SHOULD PARTICIPATE?

- Physicians, Nurse Practitioners, Physician Assistants, Certified Nurse Midwives, Certified Registered Nurse Anesthetists, and Clinical Nurse Specialists who wish to obtain a waiver to prescribe buprenorphine in an office-based setting for opioid use disorder.
- Clinicians and healthcare team members working with providers who prescribe buprenorphine in an office-based setting to treat opioid use disorder

YOU WILL LEARN HOW TO:

- Assess patients for the full spectrum of harmful opioid use including misuse and use disorder.
- Summarize the clinical pharmacology, efficacy and safety of methadone, buprenorphine and naltrexone in treating opioid use disorder.
- Identify and assess patients who are appropriate for treatment with medications for an opioid use disorder in an office-based setting.
- Describe procedures for initiating, stabilizing, maintaining, monitoring and modifying treatment of patients on buprenorphine or naltrexone.

The American Society of Addiction Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Information:

The American Society of Addiction Medicine designates this live activity for a maximum of **4 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American Society of Addiction Medicine designates this enduring material for a maximum of **4 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

- *The combined live activity and enduring material will provide the required 8 hours needed to obtain the waiver to prescribe buprenorphine in office-based treatment of opioid use disorders*
