FOR THE SECOND ANNUAL

IL  PQQC

Illinois Perinatal
Quality Collaborative
Conference

NOVEMBER 10, 2014

Join us for the second Annual Conference of the Illinois Perinatal Quality Collaborative, aimed to engage perinatal stakeholders and birthing hospitals in obstetric and neonatal quality improvement projects to improve the quality of health outcomes for Illinois women and infants. **National leaders in perinatal quality, including keynote speaker Elliott Main, MD, of the California Maternal Quality Care Collaborative, as well as speakers from Ohio, Illinois, North Carolina, and Tennessee will join us to share strategies and lessons learned from perinatal quality collaboratives across the US. We will hear updates on current Illinois perinatal quality initiatives, discuss hot topics in both obstetric and neonatal quality and next steps for engaging with ILPQC.**

November 10, 2014
8:00 a.m. - 5:00 p.m.
Northern Illinois University
1120 East Diehl Road
Naperville, IL 60563
