# Conference Agenda

7:00 - 8:00 a.m.	<b>Registration and Continental Breakfast</b>
8:00 - 8:10 a.m.	<b>Welcome</b> <b>Ann E.B. Borders, MD, MSc, MPH</b> <i>Executive Director and Obstetric Lead, Illinois Perinatal Quality Collaborative; Clinical Associate Professor Maternal Fetal Medicine, NorthShore University HealthSystem</i> <b>Shannon Lightner, MSW, MPA</b> <i>Deputy Director, Office of Women's Health and Family Services, Illinois Department of Public Health</i>
8:10 - 8:45 a.m.	<b>ILPQC Stronger Together: 2017 Review and Onward to 2018</b> <b>Ann Borders, MD, MSc, MPH</b> <i>Executive Director and Obstetric Lead, Illinois Perinatal Quality Collaborative; Clinical Associate Professor Maternal Fetal Medicine, NorthShore University HealthSystem</i> <b>Leslie Caldarelli, MD</b> <i>Neonatal Lead, Illinois Perinatal Quality Collaborative and Medical Director, NICU, Northwestern Medicine's Prentice Women's Hospital; Associate Professor of Pediatrics- Neonatology, Northwestern University Fineberg School of Medicine</i> <b>Justin Josephsen, MD</b> <i>Neonatal Lead, Illinois Perinatal Quality Collaborative and Neonatologist and Assistant Professor, Pediatrics, St. Louis University</i>
8:45 - 9:30 a.m.	<b>Keynote Speaker</b> <b>Neonatal Abstinence Syndrome: Rethinking Our Approach</b> <b>Matthew Grossman, MD</b> <i>Assistant Professor of Pediatrics, Yale School of Medicine, Yale University, New Haven, Connecticut</i>
9:30 - 9:45 a.m.	<b>Break</b>
9:45 - 11:15 a.m.	<b>Leveraging QI Success in Other States: Leaders from State Perinatal Quality Collaboratives Discuss Key Initiatives</b> <b>Carole Lannon, MD, MPH</b> <i>Ohio Perinatal Quality Collaborative, Senior Faculty Lead, Learning Networks Program, Cincinnati Children's Hospital, Cincinnati, Ohio</i> <b>Julie Zemaitis DeCesare, MD</b> <i>Florida Perinatal Quality Collaborative Clinical Lead, Residency Program Director and Associate Professor, University of Florida College of Medicine, Pensacola, Florida</i> <b>Brenda Barker, MEd, MBA</b> <i>Executive Director, Improvement Advisor, Tennessee Initiative for Perinatal-Quality Care, Brentwood, Tennessee</i>
11:15 a.m. - 12:00 p.m.	<b>Reaching Mothers with Opioid Dependency in Respectful and Collaborative Ways</b> <b>Tamela Milan, MPPA</b> <i>MCH Partnership and Outreach Worker, Access Community Health Network, Maywood, Illinois</i>
12:00 - 12:30 p.m.	<b>Networking Lunch</b>
12:30 - 1:30 p.m.	<b>Poster Session</b>

# Conference Agenda

1:30 - 2:15 p.m.

## Obstetric and Addiction Care for Women with Opioid Use Disorder: ACOG AIM Patient Safety Bundle

**Ron Iverson, MD**

*Vice-chair of Obstetrics and Director of Quality Improvement in the Department of Obstetrics and Gynecology, Boston Medical Center; Co-Chair of the Massachusetts Perinatal Quality Collaborative*

2:15 - 3:00 p.m.

## South Carolina Birth Outcomes Initiative: Action and Results for LARCs in the Immediate Postpartum

**Amy Crockett, MD, MSPH**

*Maternal-Fetal Medicine, Clinical Lead, SC Birth Outcomes Initiative, Greenville Health System, Greenville, South Carolina*

3:00 - 3:15 p.m.

Break

3:15 - 5:00 p.m.

## Break-Outs

### **A Hot Topics in Neonatal QI: Discussion of Sustaining Current Golden Hour Initiative and Launching 2018 Initiative: Mothers and Newborns affected by Opioids**

**Leslie Caldarelli, MD**

**Justin Josephsen, MD**

**Matthew Grossman, MD**

**Carole Lannon, MD, MPH**

**Brenda Barker, MEd, MBA**

**Jean Silvestri, MD**

*Professor Pediatrics, Rush Medical College, Pediatric Vice Chair for Safety, Quality and Clinical Effectiveness, Rush University Children's Hospital; NICU Medical Director and Patient Safety Officer*

**Ann Downey, MD, MS**

*Assistant Professor of Pediatrics, Northwestern Feinberg School of Medicine*

### **B Hot Topics in Obstetric QI: Discussion of Sustaining Current Severe Maternal Hypertension Initiative and Launching 2018 Initiatives: Mothers and Newborns affected by Opioids and Immediate Postpartum LARC**

**Ann Borders, MD, MSc, MPH**

**Julie Zemaitis DeCesare, MD**

**Amy Crockett, MD, MSPH**

**Ron Iverson, MD**

### **C Engaging Patients and Families in Quality Improvement**

**Tamela Milan, MPPA**

**Terry Griffin, MS, APN, NNP-BC**

*ILPQC Leadership Team, Neonatal Nurse Practitioner, St. Alexius Medical Center*

# Speaker Bios

## Ann Borders, MD, MSc, MPH

*Executive Director and Obstetric Lead, Illinois Perinatal Quality Collaborative; Clinical Associate Professor Maternal Fetal Medicine, NorthShore University HealthSystem*

Dr. Borders joined the NorthShore University Health System Department of Obstetrics and Gynecology, Division of Maternal Fetal Medicine at Evanston Hospital in 2012 and is a Clinical Associate Professor of Obstetrics and Gynecology at the University of Chicago, Pritzker School of Medicine. Dr. Borders received an MSc degree in health policy from the London School of Hygiene & Tropical Medicine, and an MD from Harvard Medical School in 1999. She completed a Maternal-Fetal Medicine Fellowship and a NRSA Post-Doctoral Fellowship in Health Services Research at Northwestern University in 2006. In 2007, she completed an MPH degree at Northwestern University. She is the Executive Director and Obstetric Lead for the Illinois Perinatal Quality Collaborative, a collaborative of over 100 birthing hospitals focused on improving outcomes for mothers and newborns. She is a member of the ACOG Committee on Obstetric Practice. She also serves on the National Network of Perinatal Quality Collaboratives Executive Committee.

## Matthew Grossman, MD

*Assistant Professor of Pediatrics, Yale School of Medicine, Yale University, New Haven, Connecticut*

Dr. Grossman graduated from SUNY Stony Brook School of Medicine in 2003 and completed his pediatric residency at Yale-New Haven Children's Hospital (YNHCH) in 2006. He then became an Assistant Professor of Pediatrics at Yale School of Medicine and a pediatric hospitalist. He has been the quality and safety officer for YNHCH since 2013 and his team was awarded the 2015 Pediatric Quality Award from the Children's Hospital Association for their work on improving outcomes for infants with neonatal abstinence syndrome.

## Brenda Barker, MEd, MBA

*Executive Director, Improvement Advisor, Tennessee Initiative for Perinatal Quality Care, Brentwood, Tennessee*

Ms. Barker joined TIPQC as the Project Manager in 2008, Improvement Advisor in 2010, and Executive Director in 2017. Brenda received a Master's in Education from the University of North Texas, Improvement Advisor Certificate from IHI, and a Master of Business Administration in Healthcare from Lipscomb University in 2016. Brenda enjoys spending time with her 11 children, and 2 grandchildren.

## Leslie Caldarelli, MD

*Neonatal Lead, Illinois Perinatal Quality Collaborative and Medical Director, NICU, Northwestern Medicine's Prentice Women's Hospital; Associate Professor of Pediatrics-Neonatology, Northwestern University Feinberg School of Medicine*

Dr. Caldarelli is a practicing neonatologist at Ann and Robert H. Lurie Children's Hospital of Chicago and Prentice Women's Hospital-Northwestern Medicine. She serves as the Medical Director of the Neonatal Intensive Care Unit at Prentice Women's Hospital. She is a co-Neonatal lead for the Illinois Perinatal Quality Collaborative. Dr. Caldarelli also has a longstanding medical educational track record at the undergraduate and graduate levels; including leadership, teaching, simulation, and curricula development.

# Speaker Bios

## Amy Crockett, MD, MSPH

*Maternal-Fetal Medicine, Clinical Lead, SC Birth Outcomes Initiative, Greenville Health System, Greenville, South Carolina*

Dr. Crockett is a specialist in maternal-fetal medicine and practices in Greenville, South Carolina. She is an associate professor with the University of South Carolina School of Medicine – Greenville, and the vice-chair for the South Carolina Section of ACOG. She has been the clinical lead for the South Carolina Perinatal Quality Collaborative, the South Carolina Birth Outcomes Initiative, since 2011.

## Julie Zemaitis DeCesare, MD

*Florida Perinatal Quality Collaborative Clinical Lead, Residency Program Director and Associate Professor, University of Florida College of Medicine, Pensacola, Florida*

Dr. Zemaitis DeCesare received her RN/BSN from Catholic University of America in 1994, and completed her MD from Eastern Virginia Medical School in 1998. She is currently an Associate Professor and Residency Program Director at the University of Florida Obstetrics and Gynecology Residency Program. Clinical interests include strategies to reduce cesarean birth, HPV advocacy, and reduction in teen birth rates. She is currently state lead to the FPQC Provide initiative, and helped to launch the Obstetrical Hemorrhage at the national level in the Ascension Health System.

## Ronald Iverson, MD

*Vice-chair of Obstetrics and Director of Quality Improvement in the Department of Obstetrics and Gynecology, Boston Medical Center; Co-Chair of the Massachusetts Perinatal Quality Collaborative*

Dr. Iverson is a general Obstetrician-Gynecologist, Vice-chair of Obstetrics and Director of Quality Improvement in the Department of Obstetrics and Gynecology at the Boston Medical Center. He is the Co-Chair of the Massachusetts Perinatal Neonatal Quality Collaborative and involved on the ACOG AIM Bundle Committee on Obstetric Care for Women with Opioid Use Disorder.

## Justin Josephsen, MD

*Neonatal Lead, Illinois Perinatal Quality Collaborative, Cardinal Glennon, Neonatologist and Assistant Professor, Pediatrics, St. Louis University, St. Louis, Missouri*

Dr. Josephsen is a neonatologist and Assistant Professor of Pediatrics at Saint Louis University. He is a co-Neonatal lead for the Illinois Perinatal Quality Collaborative. He also serves as the physician champion of the Golden Hour Project at St. Mary's Hospital in St. Louis, which serves high-risk infants and mothers in the Southern Illinois region. His research interests include delivery room interventions

## Shannon Lightner, MSW, MPA

*Deputy Director, Office of Women's Health and Family Services, Illinois Department of Public Health*

Ms. Lightner currently serves as the Deputy Director at the Illinois Department of Public Health, where she oversees the Office of Women's Health and Family Services. The Office includes programs such as the Illinois Breast and Cervical Cancer Program, the Family Planning program, the Regionalized Perinatal program, the Maternal and Child Health Block Grant program, and other programs aimed at improving the health of women and children of Illinois. Prior to her time at IDPH she worked at the American Cancer Society where she oversaw efforts to implement evidence-based best practices through high impact policy and practice changes to increase cancer prevention and survivorship efforts within state government agencies, major health plans, and Quality Improvement Organizations in Illinois, Indiana and Michigan. Shannon has also served as a Senior Health Policy Advisor to the Governor of Illinois, where she worked across state agencies and with constituent and advocacy groups to craft, implement, and manage broad health care initiatives. She has served on the staffs of multiple U.S. senators in health care advisory capacities, as well as implemented a plan to address health care disparities for the American College of Physicians which was subsequently published. She holds Master Degrees in Social Work and in Public Administration from Columbia University and a Bachelor degree from UCLA.

# Speaker Bios

## Carol Lannon, MD, MPH

*Ohio Perinatal Quality Collaborative Clinical Lead, Senior Faculty Lead, Learning Networks Program, Cincinnati Children's Hospital, Cincinnati, Ohio*

Dr. Lannon is board-certified in pediatrics and internal medicine; she has a master's in epidemiology. She is nationally-recognized for her expertise in improvement science and systems improvement. She is Director, Learning Networks Core, James M. Anderson Center for Health Systems Excellence at Cincinnati Children's Hospital Medical Center (CCHMC), Professor of Pediatrics at the University of Cincinnati, and Senior Quality Advisor for the American Board of Pediatrics. Dr. Lannon is the collaborative science lead for several improvement initiatives, including the Ohio Perinatal Quality Collaborative the National Pediatric Cardiology Quality Improvement Collaborative, and the AIR-P/Autism Treatment Network.

## Tamela Milan, MPPA

*MCH Partnership and Outreach Worker, Access Community Health Network, Maywood, Illinois*

Ms. Milan-Alexander is the Maternal and Child Health Outreach Worker at Access Community Health Network. Tamela started her career as a peer educator for the Closing the Gap on Infant Mortality project from 2004-2007. She is the Co-Chair for the Community Action Network for Westside Healthy Start, was a former participant of that program, and was the first consumer to serve as a consumer representative on the National Healthy Start Association Board. In 2014, Tamela was appointed to the Illinois Community Health Workers Advisory Council. She received her Bachelor's Degree from Concordia University in 2014 and 2016 received her Masters of Public Policy from National Louis University.

# Breakout Speaker Bios

## Ann Downey, MD, MS (HQPS)

*Assistant Professor of Pediatrics, Northwestern Feinberg School of Medicine*

Dr. Downey is an Assistant Professor of Pediatrics at Northwestern Feinberg School of Medicine. Her scholarly interests span healthcare quality and patient safety, clinical excellence, and simulation. She serves the Northwestern community as faculty to medical students, residents, and fellows in healthcare quality and patient safety. She is currently involved in developing several clinical programs. Dr. Downey has been involved in ILPQC since moving to Illinois in 2013.

## Terry Griffin, MS, APN, NNP-BC

*ILPQC Leadership Team, Neonatal Nurse Practitioner, St. Alexius Medical Center*

Ms. Griffin has been in the NICU for many decades as a staff nurse, clinical nurse specialist and now as a neonatal nurse practitioner. She has held faculty positions in the Graduate College of Nursing at the University of Illinois at Chicago and serves as faculty and consultant for the Institute for Patient and Family Centered Care. She has numerous publications on partnering with families. She also serves on the ILPQC Leadership Team.

## Jean Silvestri, MD

*Professor Pediatrics, Rush Medical College, Pediatric Vice Chair for Safety, Quality and Clinical Effectiveness, Rush University Children's Hospital, NICU Medical Director and Patient Safety Officer*

Dr. Silvestri is Professor of Pediatrics at Rush Medical College, the Pediatric Vice Chair for Safety, Quality and Clinical Effectiveness at Rush University Children's Hospital, and the NICU Medical Director and Patient Safety Officer. Her broad clinical and research interests include apnea of prematurity, family-centered care, and community and hospital safe sleep initiatives that promote strategies for mitigating SIDS risk factors. Dr. Silvestri's passion extends to patient safety and quality improvement, and she has played an integral role in Illinois Perinatal Quality Collaborative QI initiatives.

# ILPQC Fifth Annual Conference Poster Session

December 19, 2017 | 12:30 - 1:30 p.m.

Obstetric Poster Sessions			
Poster #	Title	Institution	Author(s)
1	Safe Second Stage Labor Care	Loyola University Medical Center	Teri Boland, Jean Goodman, Yara Anderson, Laura De La Pena
2	Decreasing Length of Time Obstetrical Patients Experience Severe Range Blood Pressure	Advocate Christ Medical Center	Patricia Creehan, Kim Kocur, Joseph Pavese, Melissa Sheeran
3	Identifying Patients That Meet The Maternal Hypertension Initiative Throughout their Inpatient Stay	Advocate Illinois Masonic Medical Center	Jessica Cazares, Tiana Dunlap, Peggy Hamilton, Stefanie House, Angela Rodriguez, Melissa Zambrano
4 <sup>§</sup>	Opioid Medication Use Reduction	Advocate Illinois Masonic Medical Center	A. McClary, M. Dennis, R. Starr, E. Levine, S. Locher, A. Rodriguez
5	Maternal Hypertension Quality Improvement Initiative; ED Triage of the Post-partum Hypertensive Patient	Amita Health- Alexian Brother's Women and Children's Hospital	Mary Jean Handrigan, Lori Andriakos
6	A Team Approach to Managing Severe Maternal Hypertension	SSM Health St. Mary's Hospital - St. Louis	Meredith Meyer, Judy Wilson-Griffin
7	Perfect Timing	Ingalls Memorial Hospital	Josina Thompson, Lima Redhead, Shanice Williams
9	Maternal Hypertension	Presence St. Mary's Hospital	Amanda Sapp, Jillian Jackubowski, Elyssa Galloway
10 <sup>+</sup>	Improving Recognition and Treatment of Severe Sepsis in Obstetric Patients at NM CDH	Northwestern Medicine Central DuPage Hospital	Samantha Schoenfelder, Margaret Colliander, Lisa Sullivan, Jason Cullen, Lori Daniels, Stephanie Loiacono, Mary Obrist, Alexander Johnson
11	Immediate Post-Partum Long-Acting Reversible Contraception (LARC) A Safe Option For Contraception	University of Illinois Hospital & Health Sciences System	Gloria Elam, Autum Davidson, Olga Marrero, Jamie Paek, Martha Montes
12 <sup>+</sup>	Breaking the Silence of Hypertensive Disorders in Pregnancy	University Of Illinois Hospital & Health Science System	Olga Marrero, Tabatha Wells, Micaela Della Torre, Katheleen Harnom, Pam Hurt, Arlene Dizon, John Garofalo, Binni Hagstrom

# ILPQC Fifth Annual Conference Poster Session

December 19, 2017 | 12:30 - 1:30 p.m.

## Obstetric Poster Sessions

Poster #	Title	Institution	Author(s)
13	Relationship of Post Partum Urinary Retention to Post Partum Hemorrhage	Advocate Sherman Hospital	Jill Downey
14	Position Yourself for Delivery	Advocate Sherman Hospital	Holly Mendralla
15	Clinical Engagement: Our Key to Hypertension Project Sustainability and Success	Carle Foundation Hospital	Ashley Lingafelter, Chantel Ellis, Jennifer McBride, Pamela Unger, Kristen Farney, Erin Meehan, Jamie Fulfer, Jeremy Johnson
16 <sup>†</sup>	Utilizing Innovative Quality Structures to Decrease Cesarean Sections	Northwestern Medicine Delnor Hospital	Holly Rollo, Emily Bingley, Kim Czaruk, Ed Newman, Jayne Haley, Leighann Davidson, Beth Richard, Suzanne Heinkel
17	Impacting Maternal Hypertension Outcomes	Northwestern Medicine Delnor Hospital	Holly Rollo, Emily Bingley, Kim Czaruk, Ed Newman, Charity Sportsman, Becky Shields, Karen Sharp
18	Bridging the Gap Between Intent and Actual Breastfeeding Success	Northwestern Medicine Delnor Hospital	Holly Rollo, Dawn Stanley, Kim Czaruk, Sharon Lemon, Mary Ellen Pollina, Dee Schult, Terese Eason, Stephanie Krantz
19	“Every Patient, Every Time” 2017 and Beyond	Northwest Community Hospital	Sotirios Markuly, Jaime Kelly
20	Let’s Check That Blood Pressure One More Time.....Identification and Management of Severe Maternal HTN in the Pregnant and Postpartum Population	St. Mary’s Decatur	Holly Chapman, Stephanie Lake, Crystal Stiner
21	OB/ED Triage Process for Maternal Hypertension	Katherine Shaw Bethea (KSB) Hospital	Crystal Huene, Natasha Knutson
22	MMC Family Maternity Suites	Memorial Medical Center	Joanne Sorce, Kathryn Patrick
23	Maternal Hypertension Initiative	Memorial Hospital East	Mona LeGrand, Teresa Vanhoose, Stacy Mauch, Donna Stephens, Lauren Durocher
24 <sup>°+</sup>	Severe Maternal Hypertension Initiative in a Level III Academic Center with a High Birth Volume	Northwestern Memorial Hospital	Latasha Nelson, Amanda Roman, Deborah Miller

<sup>§</sup>Best Implementation Plan

# ILPQC Fifth Annual Conference Poster Session

December 19, 2017 | 12:30 - 1:30 p.m.

## Obstetric Poster Sessions

Poster #	Title	Institution	Author(s)
25	Severe Maternal HTN with plans for sustainability	Memorial Hospital Belleville	Mona LeGrand, Courtney Bebe, Mary Hawthorne, Angela Mann, Sekou Kelsey, Adrenia Beatty, Donna Stephens
26	Northshore University Healthsystem Maternal Hypertension Initiative	Evanston Hospital and Highland Park Hospital	Ann Newkirk, Dina Kapogiannis-Politis, Theresa Zeller

## Neonatal Poster Sessions

Poster #	Title	Institution	Author(s)
27 <sup>§+</sup>	Improving and Sustaining Rates of Delayed Cord Clamping: An Interdepartmental Process Improvement Project	Prentice Women's Hospital	Ann Downey, Susie Rosenberg, Leslie Caldarelli
28	A Protocol based Quality Improvement Initiative Focused on Improving Care of Infants with Neonatal Abstinence Syndrome	John H Stroger Jr. Hospital of Cook County	Rajeev Kumar, Soumini Chintala, Rita Wyrebek, Panamdeep Kaur, Michelle Davis, Megan Ward
29	Golden Hour Project at St John	St John's Children's Hospital	Magali Jean-Louis, Venkata Majjiga, Ginger Darling, Melissa Hinds, Diedra Stewart
30	We Grow More than Corn in Illinois: We're Growing a Small Baby Unit	Carle Foundation Hospital	Lisa Davis, Carey Gaede, Kaci Lowery
31 <sup>°+</sup>	Strategic Plan to Reduce Antimicrobial Exposure to Infants Within the Neonatal Intensive Care Unit	Advocate Lutheran General Children's Hospital	Bhavna Gupta, Vrinda Arora, Danielle Strunk, Preetha Prazad, Jeffrey George, Karen Lebo
32 <sup>§</sup>	The Effect of Timed Umbilical Cord Clamping on Preterm Infants at ACH-PR's NICU	Advocate Lutheran General Children's Hospital	Sandy Thakadiyil, Sarah Furqan, Jeffrey George, Michael Cappello, Lorene Schweig, Preetha Prazad
33	The Impact of Golden Hour in a Special Care Nursery	Northwestern Medicine Delnor Hospital	Holly Rollo, Dawn Stanley, Kim Czaruk, Bill Reda, Jenny Simmons, Terry Russel, Jen Perkins
34	An Innovative Approach to Neonatal Abstinence Syndrome: New Focus of Care and Treatment	SSM Health St. Mary's Hospital	Mary Hope, Becky Boedeker, Katie Althoff-Moore, Marcey Coombes, Kimberly Spence, Susan Stuppy, Laurie Niewoehner
