

Illinois Perinatal Quality Collaborative: Next Steps & Wrap Up

ILPQC Sixth Annual Conference

November 5th, 2018

Wrap up from Breakouts:

- Obstetric
- Neonatal
- Patient / Family Engagement

Looking Ahead

2019 Call to Action

- Participate in Statewide Initiatives
 - Mothers and Newborns affected by Opioids (OB & Neo)
 - Immediate Postpartum Long Acting Reversible Contraception (IP LARC)
- Teams continue implementing sustainability plans and compliance monitoring
 - Severe Maternal Hypertension
 - Golden Hour Initiatives
- ILPQC will continue to engage stakeholders, patients/families, and hospital teams from across the state to provide: opportunities for collaborative learning, rapid response data and QI support

2019 ILPQC QI Initiatives

- MNO teams:
 - Work to complete key QI strategies and implement MNO-OB OUD protocols and MNO-Neo OEN protocols for every screened positive patient, every time
 - Contact info@ilpqc.org for MNO Grand Rounds request
- IPLARC teams:
 - Wave 1 teams work to complete key QI strategies to achieve their GO LIVE goal by March 2019
 - All other hospitals, please submit a Wave 2 Team Roster by May 1st, 2018
 - Contact info@ilpqc.org for more information on participating in IPLARC, Alternate Strategies to Improve Postpartum Care, or scheduling a Wave I Key Player Meeting or Grand Rounds

To Participate in an Advisory Workgroup

- Neonatal and Obstetric Advisory Workgroups meet regularly to provide guidance for ILPQC initiatives
- Representation across state, perinatal levels, and professions (MDs, Midwives, RNs, QI, public health, community health leaders)
- Contact info@ilpqc.org to participate or for more information

One More Offering of the ACOG/ASAM Buprenorphine Training for OB providers

Did you or colleagues at your hospital miss out on the opportunity to attend the ACOG/ASAM training for Buprenorphine waiver?

Have no fear! ILPQC is working with ACOG/ASAM to offer ONE MORE TRAINING in 2018! Do not miss your chance to attend this training while still subsidized. We can't guarantee a subsidized rate in 2019.

- **When: Monday, December 3, 2018 | 10:00am – 2:30pm**
- **Where: Carle at the Fields, Excellence Room, 3310 Fields S. Dr., Champaign, IL 61822**
- **Link to Register: https://elearning.asam.org/p/OBGYN_IL**

Our goal is for **every hospital** in Illinois to have **AT LEAST ONE PROVIDER** who is waived to prescribe Buprenorphine to pregnant women. Help us achieve this goal!

Save the Date!

**2019 OB & Neonatal
Face-to-Face
Meetings**

Nurses, Providers, & Staff
join us for an interactive day
of collaborative learning for
current ILPQC initiatives!

**OB Teams:
May 29, 2019**

**Neonatal Teams:
May 30, 2019**
