Desired Learner Outcome:

At the conclusion of this activity, participants should be able to discuss current evidenced based practices in Perinatal Care that will improve their practice and patient outcomes.

Format: Live conference with case-based discussion and lecture.

Target Audience: Obstetricians, gynecologists, neonatologists, perinatologists, registered nurses, advanced practice nurses and nurse midwives.

Disclosure: Sue Ludwig OTR/L and Kara Waitzman OTR/L, NTMTC have been paid speakers of Abbott Nutrition Health Institute and co-founded/authored an infant-driven online course. No other conflicts exist.

Commercial Support: This activity is sponsored, in part, through an educational grant from Mead Johnson Nutrition. A full list of educational grants will be available on the day of the program.

Exhibitors: The full list of exhibitors will be available on the day of the program.

Accreditation and Credit Designation Statement: Advocate Health Care (OH-368, 10/1/2017) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.

Nursing Credit: This activity is offered for 5.75 contact hours on November 16 and 6.0 contact hours on November 17. Contact hours will be awarded upon successful completion of this program.

Criteria for successful completion:

- Attendance of the entire event for each day
- Completion of evaluation, which will be sent via email within 15 business days after the event and should be completed within 28 days of the event
- Participant will receive certificate upon submission of the evaluation

Thursday, November 17, 2016
