

ILPQC Golden Hour Teams Call

March 20, 2018

2:00 – 3:00 pm

Introductions

- Please enter into the chat box your
 - Name
 - Role
 - Institution
- If you are only on the phone line, please be sure to let us know so we can note your attendance

Agenda

- Golden Hour data
- Finishing strong
- Sustainability plans
- Next steps

GOLDEN HOUR DATA

Neonatal Golden Hour: Communication Practices

ILPQC: Golden Hour Initiative Communication Practices: Debrief All Hospitals, 2015-2017

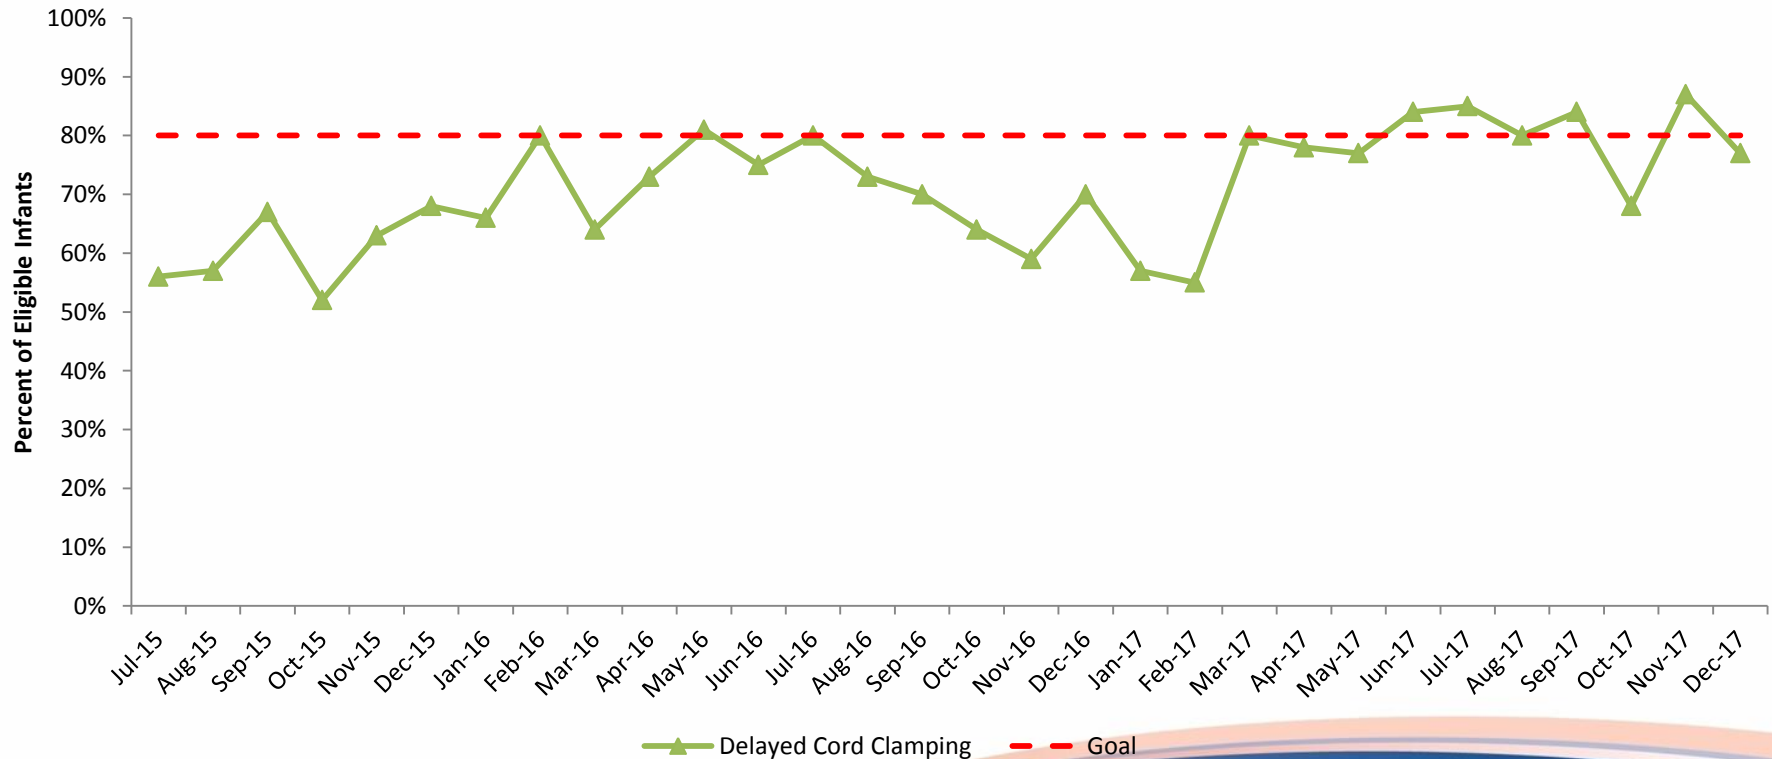

Golden Hour Debriefs: Barriers & Strategies

- Increase rate of debriefs by including de-briefing questions in Checklist at the end:
 - What did we do well?
 - What can we improve upon?
 - Do we need to follow up on any items?
- The person who is recording on the checklist automatically asks the participants how it went
- Katheria A, Rich W, **Finer N**. Development of a strategic process using checklists to facilitate team preparation and improve communication during neonatal resuscitation. Resuscitation. 2013 Nov; 84(11):1552-7. PMID: 23810750.
- TeamSTEPPS Delivery Room Debrief:
<http://www.youtube.com/watch?v=Jl1mjNJbFQg&feature=youtu.be>

Neonatal Golden Hour: Delivery Room Practices

ILPQC: Golden Hour Initiative Delivery Room Practices: Percent of Eligible Infants with Delayed Cord Clamping 30+ Seconds All Hospitals, 2015-2017

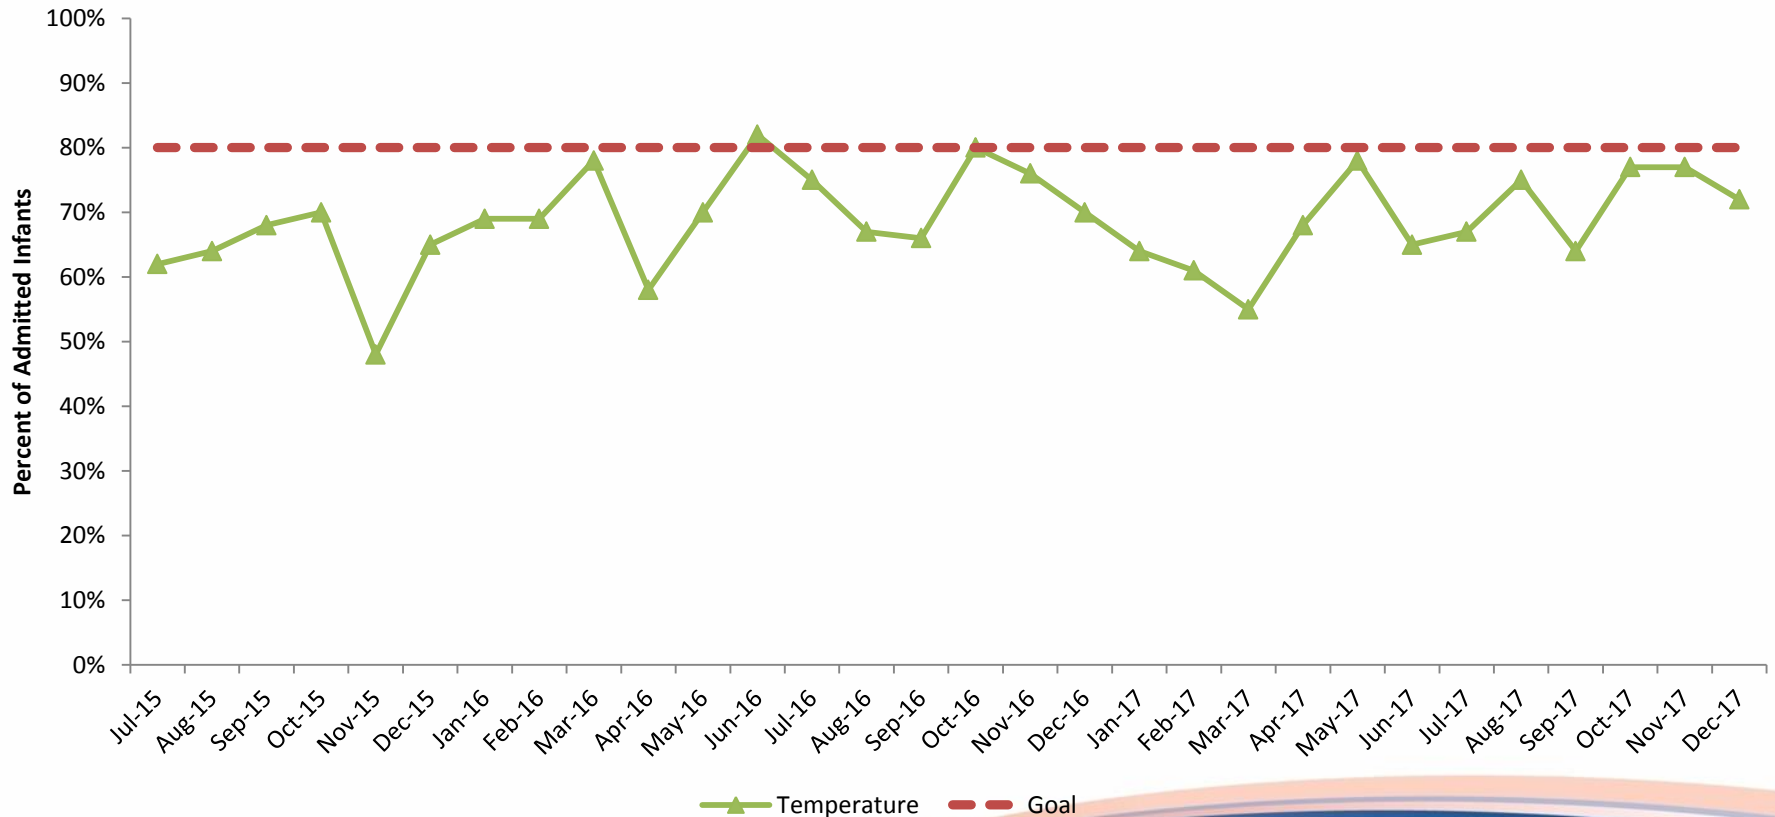

Neonatal Golden Hour: Admission Practices – Temperature and IV Glucose

ILPQC: Golden Hour Initiative

Admission Practices: Percent of Admitted Infants who are Between 36.5-37.5°C on Admission (<32 weeks) All Hospitals, 2015 - 2017

FINISHING STRONG AND SUSTAINABILITY

Finishing Strong and Planning for Sustainability

- Follow-up with teams with missing data through **March 31, 2018**, when current data system will be closed
- Transition to sustainability data system on **April 1, 2018**, pending availability of sustainability reports – 2018 data can be entered at this time

**88% of active teams
have submitted all 2017 data!**

Checklist For Teams to Complete Golden Hour Initiative

- Submit ILPQC Golden Hour Data Form data through December 2017 by **March 15, 2018** in REDCap
- Facilitate completion of education with all providers and nurses
- Review data for 3 key process measures with your team
 - Connect with your Perinatal Network Administrator if you are not yet at the 80% debrief, delayed cord clamping, or temperature goal
- Develop sustainability plan with your QI team (draft plan provided by ILPQC), submit to your Perinatal Network Administrator by **April 1, 2018**
- Continue to collect / submit data on sustainability measures for compliance monitoring. Compliance data form and reports active on April 1 for entry of 2018 data

Supporting Teams to Sustain Improvement

- QI Support for teams
 - ILPQC will review measures on a quarterly basis to identify teams not at goals for outreach
 - Perinatal Network Administrators will connect with teams still working towards GH Goals

ILPQC QI GH Commendations

- All teams that (1) submit all data through December 2017 by **March 15, 2018**, and (2) meet or exceed the 80% delivery room debrief, 80% delayed cord clamping, and 80% temperature goals **by December 2018** will receive (when both criteria are met) an **ILPQC QI Excellence Award Certificate** and **Letter of Commendation** to their hospital administration congratulating them for achievements for the Golden Hour Initiative!
- Reviews of data for Certificates/Letters will be done quarterly for the previous based on 2/3 months for quarter at or above goals.
- Certificates/Letters will be sent out approximately 2-3 months following the completion of the quarter.

Adding new Record ID 2

Record ID	2
Hospital ID Number <small>* must provide value</small>	<input type="text"/>
Date of birth <small>* must provide value</small>	<input type="text"/> <input type="text"/> <input type="text"/> Today M-D-Y
Birth weight <small>* must provide value</small>	<input type="text"/> Weight in grams at birth
Gestational age in weeks <small>* must provide value</small>	<input type="text"/>
days <small>* must provide value</small>	<input type="text"/>
Gender <small>* must provide value</small>	<input type="radio"/> Male <input type="radio"/> Female <input type="radio"/> Unknown <small>Gender of infant</small>
Race <small>* must provide value</small>	<input type="checkbox"/> White <input type="checkbox"/> Black <input type="checkbox"/> Hispanic <input type="checkbox"/> Asian <input type="checkbox"/> Other <small>Race of Mother. Select all that apply.</small>
Admitted <small>* must provide value</small>	<input checked="" type="radio"/> Yes <input type="radio"/> No <small>Answer yes if infant was admitted to Neonatal ICU or Special Care Nursery</small>
Delivery Room Care	
Debrief done <small>* must provide value</small>	<input type="radio"/> Yes <input type="radio"/> No <small>Discussion of delivery with team occurred after delivering</small>
Delayed cord clamping done? <small>* must provide value</small>	<input type="radio"/> Yes (30+ seconds) <input type="radio"/> No (< 30 seconds or Not Attempted)
Admission	
Temperature <small>* must provide value</small>	<input type="text"/> <small>Axillary temperature measured at 30 minutes of age +/- 15 minutes. Answer N/A if not admitted</small>
Form Status	
Complete?	<input type="text" value="Incomplete"/>

IMPORTANT:

Transfer to Sustainability Data Form

AS OF **APRIL 1, 2018:**

- The “ILPQC Golden Hour” REDCap data form will close.
 - Teams will not be able to access this form
- Teams will have access to “ILPQC Golden Hour Sustainability” REDCap data form.
 - Access will be transferred automatically for teams
- Any data that has been submitted for 2018 will be transferred into new data system

Paper GH Data Form

- ILPQC created a GH sustainability “paper” data form for teams to use
- Access to download data form on webinar and ilpqc.org

TEAM SUSTAINABILITY PLANS

GH Sustainability Plan

- Has your team created a draft Golden Hour sustainability plan?
- Make sure to share sustainability plan with your hospital's Perinatal Network Administrator
- Opportunities to discuss at perinatal network meetings

Team Spotlight:

Example of GH Sustainability Plan

- Advocate Good Samaritan has created a GH sustainability plan & shared with their Network Administrator
- How was the process for creating the sustainability plan?
 - What are the strategies for operationalizing sustainability plan?
 - How will measures be collected?
 - How are new hires receiving education?
 - GH education and clinical care policies and protocols into hospital new hire education?
 - What education tools will you use for ongoing education?
- Any other teams have a draft sustainability plan they'd like to speak about?

GOLDEN HOUR SUSTAINABILITY NEXT STEPS

Congratulations!

Updated GH QI Awards

GOLD:

- Carle Foundation Hospital
- Northwestern Memorial Hospital
- AMITA Health Adventist Medical Center Hinsdale

SILVER:

- AMITA Alexian Brother Women's and Children's Hospital
- Edward Hospital

BRONZE:

- Advocate Condell Medical Center – Special Care Nursery
- St. John's Children's Hospital
- Advocate Illinois Masonic Medical Center
- Northwestern Medicine Delnor Hospital

Congratulations!

Updated GH QI Awards

- All Quality Improvement Award winners and their award levels (e.g. Gold) will be acknowledged via:
 - ILPQC website
 - Neonatal GH monthly email
 - Annual Conference slides on website
 - Special recognition at the Face to Face!
- For the three teams not receiving a banner at the Annual Conference a banner will be printed and shipped to their hospital

Golden Hour Sustainability Calls

- Transitioning from monthly to quarterly Team Meetings by Q2 2018
- Quarterly QI monitoring and support by ILPQC with Perinatal Network Administrators
- 2018 Golden Hour sustainability call schedule for data review, team talks
 - Tuesday, June 19th, 2-3pm
 - Tuesday, September 18th, 2-3pm
 - Tuesday, December 18th, 2-3pm

Golden Hour Sustainability Team Talks - TENTATIVE

Call Month	Suggested Teams	Suggested Topics
Jun.	<ul style="list-style-type: none"> - Northwestern Memorial Hospital - Carle Foundation Hospital - St. John's Children's Hospital - AMITA Alexian Brother Women's and Children's Hospital 	<ul style="list-style-type: none"> - Team Debrief: how are teams achieving success? - Maintaining provider /nurse engagement? - New Hire Education plans?
Sep.	<ul style="list-style-type: none"> -Advocate Condell Medical Center- SCN -Advocate Illinois Masonic Medical Center 	<ul style="list-style-type: none"> - Maintaining gains in Delayed Cord Clamping?
Dec.	<ul style="list-style-type: none"> -Edward Hospital -NM Delnor Hospital -AMITA Health Adventist Hinsdale 	<ul style="list-style-type: none"> - Continuing provider/nursing education strategies?

Recruiting Guest PQC Speakers:

Dr. Ajay Talati- TIPQC

Dr. Gautham Suresh- Baylor College of Medicine

Dr. Maya Balakrishnan- FPQC

*** ILPQC GH Teams to speak about their sustainability plans**

Golden Hour Sustainability Team Engagement

- Would GH providers be interested in receiving MOC Part IV credits for Golden Hour Sustainability Participation?
- Criteria for successful participation?
 - Attend all GH Sustainability Calls (June, September, December)?
