

ILPQC IPLARC Data Collection Form

Question	Answers/Format
1. For which month are you reporting? [month]	Month/year: _____
Structure Measures	
2. What stakeholders do you have on your hospital QI team to date? <i>(check all that apply)</i>	1. Administration 2. MCO Liaison 3. Pharmacy 4. Billing 5. Nursing 6. Lactation consultant 7. OB provider champion 8. EMR/IT 9. Ambulatory prenatal care site liaison 10. Social Work 11. Other: _____
Hospital has IPLARC devices stocked in the inpatient inventory	
3. Are inpatient IUDs available on your hospital formulary?	1. Have not started 2. Working on it 3. In place (one or more IUDs are available) <i>(check all that apply)</i> <ol style="list-style-type: none"> a. Mirena b. Liletta c. Skyla d. Kyleena e. Paraguard f. Other: _____
4. Are inpatient implants available on your hospital formulary?	1. Have not started 2. Working on it 3. In place
5. Are inpatient LARC devices (with needed supplies) available on labor and delivery and/or on the postpartum unit?	1. Have not started 2. Working on it 3. In place
5a. What inpatient LARC devices are available on labor and delivery or the postpartum unit?	1. IUD 2. Implant 3. Both
Hospital has IPLARC protocols in place for labor and delivery and postpartum units	
6. Do you have immediate postpartum protocols and process flows in place for IUDs ?	1. Have not started 2. Working on it 3. In place
7. Which departments have implemented a protocol to support immediate postpartum placement of IUDs ? <i>(check all that apply)</i> (Check both "L&D" and "Postpartum unit" if hospital has combined L&D/postpartum unit.)	1. L&D 2. Postpartum unit 3. OB OR 4. Pharmacy 5. Billing 6. Other: _____

Question	Answers/Format
8. Do you have immediate postpartum protocols and process flows in place for implants ?	<ol style="list-style-type: none"> 1. Have not started 2. Working on it 3. In place
9. Which departments have implemented a protocol to support immediate postpartum placement of implants ? (<i>check all that apply</i>) (Check both "L&D" and "Postpartum unit" if hospital has combined L&D/postpartum unit.)	<ol style="list-style-type: none"> 1. L&D 2. Postpartum unit 3. OB OR 4. Pharmacy 5. Billing 6. Other: _____
Hospital has coding/billing strategies in place for reimbursement for IPLARC	
10. If your hospital carries LARC devices, does your hospital use 340B purchasing for LARC devices?	<ol style="list-style-type: none"> 1. Hospital is not eligible for/doesn't participate in 340B 2. Eligible, not yet participating 3. Eligible, participating 4. Do not know
11. Have you implemented billing codes for IUDs ?	<ol style="list-style-type: none"> 1. Haven't started 2. Working on it 3. In place
12. Have you implemented billing codes for implants ?	<ol style="list-style-type: none"> 1. Haven't started 2. Working on it 3. In place
13. <i>If billing codes are implemented for IUD, implant, or both, with which payers do you have billing strategies in place?</i>	<ol style="list-style-type: none"> 1. Traditional Medicaid/Medicaid FFS 2. Medicaid MCOs 3. Private insurers (<i>please specify, check all that apply</i>) <ol style="list-style-type: none"> a. Aetna b. Ambetter c. Assurant Health d. BCBS of IL e. Coventry f. Harken Health g. Humana h. United Health i. Other: _____
14. Has your hospital billed for the devices you placed?	<ol style="list-style-type: none"> 1. Yes 2. No 3. Not yet placed any devices
15. Have you received reimbursement for the devices that you placed? (<i>check all that apply</i>)	<ol style="list-style-type: none"> 1. Yes, traditional Medicaid/Medicaid FFS 2. Yes, from MCO(s) <ol style="list-style-type: none"> a. Yes, from at least 1 Medicaid MCO b. Yes, from all Medicaid MCOs with whom the hospital contracts c. Yes, from all Medicaid MCOs, even those with whom the hospital does not contract 3. Yes, from private payer(s) <ol style="list-style-type: none"> a. Yes, from at least 1 private payers b. Yes, from all private payers with whom the hospital contracts 4. No 5. Not yet placed any devices

Question	Answers/Format
Hospital can document IPLARC placement in IT/EMR systems.	
16. Does your hospital have IT /EMR revisions implemented for tracking and documentation of immediate postpartum placement of IUDs ?	<ol style="list-style-type: none"> 1. Have not started 2. Working on it 3. In place
16a. If “in place,” where does IUD documentation occur? <i>(check all that apply)</i>	<ol style="list-style-type: none"> 1. Delivery template – Providers 2. Delivery template – nurses 3. Separate EMR form – providers 4. Separate EMR form – nurses 5. Other: _____
17. If “In place,” which IT / EMR revisions have been completed to assure adequate tracking, and documentation for IUDs <i>(check all that apply)</i>	<ol style="list-style-type: none"> 1. EMR for consent 2. EMR for contraceptive choice counseling, including IPLARC 3. Order sets 4. Pharmacy system (acquisition and stocking) 5. Billing system 6. Tracking tools 7. Other: _____
18. Does your hospital have IT /EMR revisions implemented for tracking and documentation of immediate postpartum placement of implants ?	<ol style="list-style-type: none"> 1. Have not started 2. Working on it 3. In place
18a. If “in place,” where does implant documentation occur? <i>(check all that apply)</i>	<ol style="list-style-type: none"> 1. Delivery template – Providers 2. Delivery template – nurses 3. Separate EMR form – providers 4. Separate EMR form – nurses 5. Other: _____
19. If “in place,” which IT / EMR revisions have been completed to assure adequate tracking, and documentation for implants ? <i>(check all that apply)</i>	<ol style="list-style-type: none"> 1. EMR for consent 2. EMR for contraceptive choice counseling, including IPLARC 3. Order sets 4. Pharmacy system (acquisition and stocking) 5. Billing system 6. Tracking tools 7. Other: _____
Hospitals have provided education materials for affiliated prenatal care sites and to patients at their hospital during delivery admission	
20. Number of affiliated prenatal care sites	Number: _____
21. Have you provided patient education materials and counseling protocols and process flow for affiliated prenatal care sites regarding IPLARC, including all contraception options?	<ol style="list-style-type: none"> 1. Yes, one or more 2. Yes, all 3. No
21a. If yes, one or more, please specify the number of affiliated prenatal care centers to whom you’ve provided materials	Number: _____

Question	Answers/Format
22. Have you implemented standardized education materials and counseling protocols and process flow for patients during delivery admission regarding contraceptive options including IPLARC?	1. Developed but not yet implemented 2. Developed and implemented 3. No
System-wide Communication of IPLARC	
23. Is there a communication plan in place to inform affiliated prenatal care sites, obstetrics providers, and your hospital system of hospital capacity to provide IPLARC?	1. No, haven't started 2. Working on it 3. Yes, plan in place
23a. If plan in place, has a communication strategy been implemented?	1. Yes 2. No
Process Measures	
24. Cumulative % of physicians and midwives trained on IPLARC evidence, protocols, and counseling	Percent: _____
25. Cumulative % of physicians and midwives trained on IPLARC placement of IUDs	Percent: _____
26. Cumulative % of physicians and midwives trained on IPLARC placement of implants	Percent: _____
27. Cumulative % of nurses trained on IPLARC evidence and protocols	Percent: _____
28. Cumulative % of Lactation Consultants trained on IPLARC evidence and protocols	Percent: _____
29. Cumulative % of Social Workers trained on IPLARC evidence and protocols	Percent: _____
Outcome Measures	
30. Number of deliveries this month	Number: _____
31. Is your hospital routinely counseling, offering, and providing immediate postpartum LARCs either IUDs or Implants? (i.e., is your system live?)	1. Yes 2. No
31a. If yes, please specify:	1. IUDs 2. Implants 3. Both
32. Number of immediate postpartum IUDs placed this month	Number: _____
33. Number of immediate postpartum implants placed this month	Number: _____
<p>34. If your hospital is routinely counseling, offering and providing immediate postpartum LARCs, either IUD, implants or both, please, review a random sample of 10 charts for this month. Begin by systematically selecting 10 records. First, divide the total number of live births occurring at your facility in a given month by 10 and then select every nth chart where n is the result of that division.</p> <p><u>Example 1:</u> If your hospital has 102 births in a month, then divide 102 by 10=10.2 and you will select every 10th birth for that month.</p> <p><u>Example 2:</u> If your hospital has 28 births in a month, then 28 divided by 10 is 2.8 and you will select every 2nd birth for that month. Review this random sample of charts and record the number of charts (0-10) with the information documented:</p>	<p>#__ How many patients out of 10 reviewed had contraceptive counseling, including IPLARC, documented in the medical record during prenatal care?</p> <p>#__ Of patients who did not have contraceptive counseling documented, how many did not have prenatal care?</p> <p>#__ Of patients who did not have contraceptive counseling documented, how many had prenatal care, but did not have a prenatal record?</p> <p>#__ How many patients out of 10 reviewed had contraceptive counseling, including IPLARC, documented in the medical record during delivery admission?</p>

Hospital ID: _____
